Letter from the President & CEO

"All the blessings we enjoy are the fruits of labor, toil, self-denial, and study."

- William Graham Sumner

After many years of research and planning and a year of construction, we opened four new buildings in 2017. The fruits of this labor are two beautiful head start centers and two early learning centers combining head start and early head start under one roof. The buildings enhance their neighborhoods and provide an atmosphere conducive to learning for the children we serve. DAEOC is proud to have been able to coordinate this federal, state and local investment in our communities.

This year, we folded the programs of two of our three operational areas together. All of the services previously split into Family and Community Development and Housing are now combined into one department. Our goal is to improve efficiency and to offer multiple services to our program participants when appropriate. This continues our efforts to have a greater impact in the lives of those we serve through a holistic delivery approach.

Another highlight of our 2017 year was the return of "Operation Healthy Delta". The no-cost health clinics in Charleston and Caruthersville provided dental, vision, health, and emotional health services to approximately 5000 individuals. This operation was a great opportunity to collaborate with the Department of Defense, Delta Regional Authority, and many local partners. The contribution of Southeast Missouri Food Bank, Mississippi and Pemiscot County Health Department, and Heart to Heart International greatly augmented the services provided by the military personnel. However, no one gave more than the churches of the communities who opened their doors, to house the clinics and to shelter the airmen and sailors. Catholics, Methodist, and Baptists worked together as one to make the mission a huge success. The event spotlighted the appropriateness of Community Action as the ideal partner for such an event. We were featured in the Missouri CAN newsletter, the Missouri Methodist Magazine, and I was invited to share our experience speaking in Washington, D.C., to the officers who would lead future missions. Watch for an upcoming announcement for a 2019 mission.

While these very visible events were going on in 2017, the staff of DAEOC were still busy ensuring the smooth operation of our ongoing programs. These unsung heroes were providing weatherization assistance, utility help, children services, and domestic violence resources just to name a few of the offerings. Our staff uses every tool in our toolbox to meet the needs we can address and then partner with countless other agencies to address those we can't. We are proud that well over 90% of every dollar received at DAEOC is spent on direct customer services. The federal dollars we spend in our communities stays in our communities with a seven-fold economic impact exceeding \$100,000,000 annually.

We won't rest on our laurels in 2018. Construction on the Head Start wing a New Madrid continues, we continue to refine and improve programing, and we are refocusing on a holistic approach to services to ensure we have a meaningful impact for our families' and communities. Thank you to each of our team who made this great year possible!

Respectfully submitted,

Joel P. Evans, CCAP
President & CEO

Vision

We are DAEOC...

Delta Area Economic Opportunity Corporation (DAEOC) is a 501(3)c not-for-profit organization that assists those living in poverty across six Missouri Bootheel counties: Scott, New Madrid, Mississippi, Stoddard, Dunklin, and Pemiscot. As a Community Action Agency, DAEOC has its roots in Lyndon B. Johnson's War on Poverty and was established in 1965 as one of the first CAAs in the state of Missouri. Today, there are nineteen of these agencies; all having the explicit purpose of providing social services that stabilize households, empower individuals, and advocate for those living below the poverty line.

We are Community Action...

Community Action targets the causes of poverty in a manner that is both individualized and holistic. Through targeted coaching and case management, DAEOC meets those we serve where they are and assists them in becoming self-sufficient members of the community. Our local partnerships across the six, Delta counties and our tripartite board, representing the public and private sectors as well as the low income individuals we serve, offer perspective and guidance on the needs of the entire region. We all want a present and a future in which we can all succeed; one in which opportunity is not a privilege, but a right; and one in which the Missouri Bootheel doesn't just survive, but thrives.

Promise

Community action changes peoples lives, embodies the spirit of hope, improves communities and makes America a better place to live. We care about the entire community and we are dedicated to helping people help themselves and each other.

Mission

The Mission of Delta Area Economic Opportunity Corporation, a community action agency, is to provide appropriate programs and services that empower people to make positive change in their community, family and personal lives in order to maintain and achieve self-sufficiency.

"Empowering people to make positive change"

The Missouri Bootheel at a Glance...

County	Population	% in Poverty
Dunklin	30,119	27.2%
Mississippi	13,586	28.4%
New Madrid	17,582	25.0%
Pemiscot	16,826	30.9%
Scott	38,541	18.4%
Stoddard	29,369	19.1%

Program Participant Demographics

In 2017, DAEOC reported services obtained for **14,974** unduplicated individuals and **7,008** unduplicated families with one or more of the following characteristics:

Family Size

37% of program participants had three or more household members

Housing

78% of program participants rent as opposed to owning their own home

- 76 Families were reported as being homeless

Gender

63% of program participants were female

Age

31% of program participants were under the age of 18

Education Levels (# for Adults 24 years or older)

96% of program participants had only a High School Diploma or less

- 3,449 Individuals were reported as being disabled

Family and Community Development

Low Income Heating Energy Assistance Program (LIHEAP)

The LIHEAP program consists of two different programs: Energy Assistance (EA) and Emergency Crisis Intervention Program (ECIP). Eligibility requirements are based on income, household size, available resources and responsibility for payment of home energy costs. Energy Assistance exists to offset ongoing heating costs from November through the month of March. ECIP assists households experiencing an "energy crisis", i.e. shut off notice received or propane tank at 20% or below. Winter ECIP runs from November - May and the Summer ECIP from June - September. LIHEAP can also provide emergency services such as blankets, emergency lodging, furnace/central air repair, window air conditioners and wood stoves.

- 9,598 individuals were assisted through ECIP
- 14,752 individuals were assisted through Energy Assistance
- 7,618 of those assisted with Energy Assistance were elderly and/or disabled

Health Care Coverage Counseling

Certified Application Counselors (CACs)/Navigators conduct education and outreach events to build relationships with consumers who need guidance through the process of enrolling in health coverage through the federally-facilitated Health Insurance Marketplace established under the Affordable Care Act.

- 7,555 Missourians reached through education and outreach events
- 253 individuals enrolled
- CAC's participated in 143 events

Community Services Block Grant (CSBG)

CSBG is a federal, anti-poverty block grant which funds the operations of a state-administered network of local agencies. This network consists of more than 1,000 agencies that create, coordinate and deliver programs and services to low-income Americans in 99 percent of the nation's counties. CSBG provides funds to alleviate the causes and conditions of poverty in communities.

Most agencies in the CSBG network are Community Action Agencies (CAAs), created through the Economic Opportunity Act, a predecessor of the CSBG.

Community representation and accountability are hallmarks of the CSBG network, where agencies are governed by a tri-partite board. This board structure consists of elected public officials, representatives of the low-income community, and appointed leaders from the private sector. The programs that were utilized for the 2017 year was Life Skills, Targeted Coaching, Making the Grade, Stand Up Step Out of Poverty, Family Support, Stable Ground, Cultivating the Delta Leaders of Tomorrow and Back to School Fair.

- 21 obtained food assistance
- 15 unemployed participants obtained a job
- 726 children received free school supplies
- 1,003 participated in life skills classes with 68 classes being held
- 2,437 intakes completed
- 2,221 referrals made to other resources
- 312 youth improved their social/emotional development

Child Care Food Program

DAEOC's Child Care Food Program is part of a federal program dedicated to providing nutritious meals and snacks to low-income children at licensed and registered home daycares.

- 110 Home Daycare providers participated
- 2,324 children served
- 755,448 meals were served to children through this program

Housing

The Housing Program oversees two primary projects: HeRO (Missouri Housing Development Commission's Home Repair Program) and the Bootheel Home Repair Program, a Federal Home Loan Bank's affordable housing program. The purpose and goals of these programs are to repair, rehabilitate, and improve accessibility for the handicapped and disabled as well as to reduce the risk associated with lead-based paint and other health concerns for owner-occupied homes. Our main emphasis is to bring the home up to local and state codes to make the home safer and more livable for those who fall within the income guidelines set by HUD and Missouri Housing Development Commission. Prior to becoming eligible for the Bootheel Home Repair Program, participants must have taken part in the Weatherization Assistance Program. To be eligible

for the HeRO Program clients must have a disability and/or be elderly while also falling at or below 50% of the poverty line as determined by HUD.

- 39 homes repaired
- \$704,982.00 was spent on rehabilitation costs

Weatherization

The Weatherization Assistance Program is the nation's largest residential energy assistance program and helps low-income residents with a wide variety of energy efficiency measures spanning the entirety of the structure, HVAC systems, electrical systems, and electric appliances. The primary goal is to limit the costs associated with heating and cooling a home. Each residence is given an energy audit consisting of diagnostic tests including thermography, to customize the weatherization methods to use in that particular structure. To qualify for the Weatherization program, applicants must have a yearly household income below 200% of the area median income.

- 46 homes were weatherized
- \$284,292.00 was spent on weatherizing measures

Permanent Housing

The Permanent Supportive Housing program provides financial assistance to assist participants who are homeless and disabled. Case Management is offered to help secure and maintain housing. Participants are chosen for this program out of the regions Coordinated Entry System. They are selected from the priority list as openings become available.

- 24 individuals received rental assistance

Emergency Shelter

Efficiency-style apartments located at our Sikeston outreach office serve as an emergency shelter for individuals and families. This is the only shelter in our region that houses families without separating them. Individuals are allowed to stay at the shelter in 30 day increments. If more time is needed to secure employment and/or housing, the stay can be extended up to 90 days.

- 68 individuals received emergency shelter

Missouri Housing Trust Fund

Missouri Housing Trust Fund; facilitate three programs: Rental Assistance, Emergency Assistance and Housing First. Emergency Assistance assists individuals and families who are facing immediate threat of homelessness with financial assistance to stabilize their housing situation. Rental Assistance and Housing First assists those who are homeless with financial aid to help obtain safe and affordable housing.

- 148 individuals received emergency assistance
- 104 individuals received financial assistance

BRAVE Domestic Violence Resource Center

The BRAVE Center provides comprehensive shelter services to those women and children who are fleeing domestic violence. The BRAVE Center Domestic Violence Program is available to individuals who are experiencing any form of violence in the home. This program is designed to enable the victim to feel safe, to reflect upon and determine next steps, and to learn that there are alternatives to returning to an abusive situation. The goal of DAEOC's Domestic Violence Program is to empower battered and abused women so they may rebuild their lives to ensure future safety for themselves and their children.

- 61 women and 58 children received shelter
- 6,998 meals were provided
- Provided transportation on 563 occasions

Children's Services Department

The Head Start/Early Head Start Program has 20 center locations and 2 home based locations in Dunklin, Mississippi, New Madrid, Pemiscot, Scott and Stoddard counties and a funded enrollment of 1084 children. Of the children that are enrolled in the Head Start/Early Head Start Program, 91% are at or below the Federal Poverty Guidelines or are categorically eligible.

Head Start/Early Head Start Program Statistics

- **1630** children served
- **24** Pregnant Women/Expectant Families Served
- **1421** families were served
- **138** class rooms operated
- **1165** Head Start children transported
- **1668** persons provided volunteer services
- **96%** of children received physical exams
- **87%** of children received dental exams
- **140** children with disabilities served
- **1090** families received one or more referrals for additional services
- Maintained **100%** average monthly enrollment for 2017

Opportunities for Family Engagement

The Program encourages families to take an active role in their child's education and development, partnering with staff to provide input, make decisions, and implement action steps leading to school readiness success.

Family Engagement may look like:

- Volunteering in the classroom, office, kitchen, on field trips, etc.
- Open and consistent communication with the center staff serving the children
- Donating classroom supplies
- Accomplishing/returning take-home activities to continue building school readiness skills and knowledge
- Serving on the Health Advisory Committee or Self-Assessment Team
- Planning with committee members for Family Meetings and special events

- Providing input through various surveys during the year
- Participating in family events/meetings/parent-teacher conferences/home visits/socializations/Perfecting our Parenting Skills events
- Setting/achieving goals for the child and family
- Partnering with the home based teacher to plan activities
- Encouraging grandparents and members of the community to become Program volunteers
- Learning new parenting techniques and skills
- Recruiting children and families by sharing personal success story of relationship with Head Start/Early Head Start

DAEOC's Efforts to Prepare Children for Kindergarten

A goal of DAEOC Head Start and Early Head Start (HS/EHS) is to help children and families enjoy a smooth and successful transition into a kindergarten within the 32 local education agencies located in DAEOC's 6 county area. This is accomplished through research-based curriculum, social-emotional strategy implementation, parent education efforts, assessment, and administrative processes.

Research Based Curriculums

- Head Start Centers utilize the Scholastic Big Day for Pre K curriculum
- Early Head Start Centers utilize Creative Curriculum for Infants, Toddlers, and Twos
- Early Head Start Home - Partnerships for Healthy Baby

All curriculums guide growth and development in accordance with the Head Start Early Learning Outcomes Framework Ages Birth to Five. The Framework can be found at <http://eclkc.ohs.acf.hhs.gov/hslc/sr/approach/cdelf>.

The central domains include:

- Approaches to Learning
- Social and Emotional Development
- Language and Literacy
- Cognition
- Perceptual, Motor, and Physical Development

Social- Emotional Strategies

Through our implementation of Conscious Discipline strategies, children learn to take responsibility for their feelings and actions, to recognize these, and learn appropriate ways to express and manage their feelings at an age-appropriate level. Through HS/EHS, children learn to interact with other children and adults. There are positive relationships established between teaching staff and children. The HS/EHS Teachers are often the child's first introduction to a teacher. Our Program seeks to develop positive relationships and create a family atmosphere within the classroom.

Parent Education Efforts

HS/EHS seeks a positive, supportive relationship with the parents/guardians. Our program offers ongoing parent education opportunities on a variety of topics, home visits and parent/teacher conferences and family events throughout the year. Parents experience activities and receive information to ensure their child's successful transition to Kindergarten.

Head Start/Early Head Start Program Budget Uses and Proposed 2017 Budget

DAEOC's Head Start and Early Head Start Programs ensure the grant budgets are spent on reasonable, necessary, and allowable expenses to provide comprehensive early childhood educational and care services. The DHHS federal grant funds serve 952 Head Start children and families within the 6 county service areas. The DHSS federal grant funds serve 72 Early Head Start children and families within Scott, New Madrid and Pemiscot counties.

A significant amount of all budgets are spent to employ approximately 350 staff to fulfill the program's responsibilities. This includes staff salaries and benefits provided to attract and retain staff. Other program expenses include operating expenses such as: bus replacement, classroom supplies, office supplies, custodial supplies, rent, utilities, phone, internet, travel to carry out program operations, staff development expenses to ensure proper training and qualifications, and medical, dental and mental wellness child services expenses as payor of last resort if other resources are not available. These budgetary expenditures are needed to provide quality programming and services.

Head Start Serves 952 Children.
Budget \$8,223,486

MIECHV EHS serves 60 families.
Budget \$596,560

Early Head Start Serves 72 Children.
Budget \$1,168,219

Early Head start Expansion Serves 160 children.
Budget \$3,151,367

Office of Head Start Triennial Monitoring

The most recent Program Review was completed during March 9-13, 2014 by an Office of Head Start. The review team was diligent to ensure compliance for all service areas and systems of the Head Start Performance Standards (45 CFR 1301-1311).

The final report from the Office of Head Start (OHS) received in May 2014 stated that "Based on the information gathered, no area of noncompliance was found during the course of the review. Accordingly, no corrective action is required at this time."

The DAEOC Head Start Program is in full compliance with Head Start Performance Standards as documented in May 2014. DAEOC expects their next monitoring event to occur in 2018.

Assessment

Children in the DAEOC Head Start program complete the Scholastic Early Childhood Inventory Assessment of enrolled children 3 times per year. Since the Early Head Start is a year round program, the Hawaii Early Learning Profile Assessment is accomplished 4 times per year. Assessment information is shared at parent/teacher conferences. For those children who will be transitioning to Kindergarten, the assessment results for the year are provided to the school where the child will be attending so teachers may also be aware of the child's developmental growth.

The progress made by a child from the beginning to the end of the program year is measured using four levels of achievement. They are (from the lowest to the highest point of achievement) described as: the Pre-Emergent, the Beginning, the Emerging, and the Developed. The data that follows reflects the growth that occurred between the first (the initial assessment) and the last (the summative assessment) during the 2016-2017 program year. Please note the asterisks explaining the data. The Program reporting software system to identify the most effective way to compile and analyze the assessment data. The following assessment information includes data of children entering or leaving throughout the year.

Early Head Start and Head Start Program School Readiness Goal Progress Assessment Data Results 2016-2017

H.S. Domain	Timeline	Early Head Start School Readiness Goal	Results */**/***	Head Start School Readiness Goal	Results 3/4/5 Yr Old

Fiscal Summary

Single Audit Act

An annual audit of DAEOC's fiscal operations is performed in accordance with the Office of Management and Budget Uniform Guidance 2 CFR Part 200 to ensure that public funds have been used in accordance with grant and contract requirements. The 2017 A-133 audit field work occurred during May 2018 and a report will be presented to the board for review and approval before September 2018. The approved audit will be available for viewing at DAEOC's central office in Portageville, Missouri after August 27th, 2018.

	2017 - Unaudited Financials			2016 - Audited Financials

**Federal Dollars turnover 7 times within the service area, therefore
DAEOC helped the local economy with over \$150 million dollars
passing in and through the Bootheel of Missouri.**

DAEOC's 2017 fiscal year Revenues and Expenses increased by approximately \$2,500,000 and \$4,200,000, respectively over 2016 totals. These increases are primarily due to Head Start and Early Head Start expansion grants and the building projects related to each. Grant funds are used in the six (6) counties of the Bootheel served by DAEOC.
