

EMPOWERING PEOPLE TO MAKE POSITIVE CHANGE

2021 Annual Report

Vision

We are DAEOC...

Delta Area Economic Opportunity Corporation (DAEOC) is a 501 (3)c not-for-profit organization that assists those living in poverty across six Missouri Bootheel counties: Scott, New Madrid, Mississippi, Stoddard, Dunklin, and Pemiscot. As a **Community Action** Agency, DAEOC has its roots in Lyndon B. Johnson's War on Poverty and was established in 1965 as one of the first CAAs in the state of Missouri. Today, there are nineteen of these agencies; all having the explicit purpose of providing social services that stabilize households, **empower** individuals, and **advocate** for those living below the poverty line.

We are Community Action...

Community Action targets the causes of poverty in a manner that is both individualized and holistic. Through targeted coaching and case management, DAEOC meets those we serve where they are and assists them in becoming self-sufficient members of the community. Our local partnerships across the six Delta counties and our tripartite board, representing the public and private sectors as well as the low income individuals we serve, offer perspective and guidance on the needs of the entire region. We all want a present and a future in which we can all succeed; one in which **opportunity** is not a privilege, but a right; and one in which the Missouri Bootheel doesn't just survive, but thrives.

A Letter from Our CEO

With 2020 behind us, we had hoped that the most challenging days were gone as well. 2021 proved that this wasn't the case. Masking, social distancing, disinfecting and quarantine rules were a moving target throughout the year varying from program to program and from county to county. Virtual meetings, virtual reviews, virtual audits, and virtual conferences forced us to learn not only the technology of remote communications but also problems associated with lost non-verbal messaging and the fallout of limited social interaction. As COVID cases ramped up, we were faced with staffing shortages due to staff illness, staff caring for family, and quarantines. Late summer and early fall saw staggering numbers of cases with the spread of the Omicron variant. Likely the most challenging issue of the year was the OSHA and Office of Head Start vaccination mandates. Knowing that only a fraction of our staff were fully vaccinated and that the rules as they stood would exclude these team members from working in centers, my leadership recommended to the Board that we require vaccination two weeks prior to the Head Start deadline to allow us a brief period to retool should we lose a significant number of staff. Ultimately, approximately 60 of over 400 staff chose not to be vaccinated. We entered 2022 short staffed as did many of America's employers. We are dedicated to building a team committed to excellence and are willing to make changes when that objective is compromised. 2022 will be a year of rebuilding our team and rebuilding the morale of those who weathered the storm.

Not ones to fall back on their heels in the face of adversity, the DAEOC

team continued to seek new ways to combat poverty while the pandemic raged on. 2021 saw continued growth of our Adult Education Center in Portageville with construction wrapping up and operations beginning. Classes filled quickly and our offerings were expanded through new funding opportunities. With the Adult Education Center's move into operations phase, the remaining administrative team relocated to newly remodeled spaces in Sikeston. The training room, known as Social 1919 has proved to be a very versatile training platform for DAEOC and a great gathering space for the community. Visitors using the facility not only provide outside revenue but also the opportunity to share our mission with community members who may not be aware of the work of Community Action. Also repositioned in 2021, were the Children's Services leadership team. To ensure efficient communications, colocation of these staff members with fiscal, purchasing, human resources and administration staff was necessary. Late in the year, staffing shortages forced us to combine the Malden Head Start program into the Parma center with minor facility modifications allowing us to maintain ratios and continued care. Team members at fully-staffed centers volunteered to fill-in temporarily at centers struggling to maintain ratio and office and support staff filled in the gaps.

Innovative Readiness Training returned to the DAEOC service area again in 2021 for the 5th biannual clinic. Always working to out do prior missions, the DAEOC team overseeing IRT 2021 didn't fail.

Seeing a need for continued dental care beyond the scope of the military clinic, they sought and received \$75,000 from Delta Dental to provide followup care. Late in 2021, we received notice that we were selected for a 2023 mission as well.

Facility challenges were also addressed in 2021. Taking advantage of additional funds not previously available, we sought to replace the aging rented Head Start facility in Steele, the kitchenless Head Start in Portageville, and our flood-prone homeless shelter in Sikeston. We are pleased to announce that almost \$2M was approved for the construction of a homeless shelter that will more than double our capacity and provide office and program spaces in a neighborhood that is not flood prone. In Steele, we will be erecting a modern, proposed built center and although funding was depleted before our Portageville project could be funded, we have identified funds to complete that construction as well. We are hopeful that ground-breaking for all three will begin in 2022.

Joel P. Evans, CCAP
President & CEO

Promise

Community action
changes people's
lives, embodies
the spirit of **hope**,
improves communities
and makes America
a better place to live.
We care about the
entire community and
we are dedicated to
helping people help
themselves and each
other.

Program Participant Demographics

In 2021, DAEOC reported services obtained for **10,493** unduplicated individuals and **4,737** unduplicated families with one or more of the following characteristics:

Mission

The Mission of Delta Area Economic Opportunity Corporation, a **community action** agency, is to **empower** people to make **positive change** in their personal lives, family and community.

Our Impact: Community & Outreach Services

Low Income Heating Energy Assistance Program (LIHEAP)

The LIHEAP program consists of two different programs: Energy Assistance **(EA)** and Emergency Crisis Intervention Program **(ECIP)**.

Eligibility is based on income, household size, available resources, and responsibility for payment of home energy costs.

- **ECIP assists households experiencing an “energy crisis” (i.e. shut off notice or propane tank at 20% or below)**
 - Winter ECIP runs from November-May & Summer ECIP from June-September
- **EA exists to offset ongoing heating costs from November-March**

This program also provides emergency services such as blankets, emergency lodging, furnace/central air repair, window air conditioners, and wood stoves.

LIHEAP assisted

12,559

individuals

LIHEAP assisted

6,054

elderly and/or disabled individuals

Ameren Assistance Programs

Keeping Current

A payment assistance program that helps make paying your energy bill more affordable. It includes a monthly bill credit along with help to reduce the total amount you owe.

89

enrolled in levelized billing

Clean Slate

This program helps individuals pay off their past due utility bills.

42

Dollar More

This program is funded by voluntary customer and company donations.

71

prevented disconnection with funds

Community Savers Program

This program provides air conditioners, LED bulbs and energy efficient kits.

61

air conditioners
provided

Growing the Delta: Adult Education Center

Designed to meet regional industry/employer needs, the center's main focus is to prepare new, unemployed and current workers, including those impacted by mental health and substance abuse issues, to successfully find and keep sustainable employment.

26

individuals successfully completed specialized training course

16

individuals received personal finance/ workplace skills

6

individuals gained employment after completion of program

21

individuals maintained employment

53

individuals received supportive services

SkillUP Program

SkillUP is a free program that helps Food Stamp (SNAP) recipients get help with skills, training, and employer connections to get a job (or a better job). SkillUP works with participants to create an individual plan to help reach their goals and start a new career. The SkillUP program can also help with:

- ↑ **Aquiring skills through needed workshops and classes**
- ↑ **Paying for short-term training and certifications**
- ↑ **Paying work or training costs**
- ↑ **Understanding job skills**
- ↑ **Building a resume to effectively show off all skills**
- ↑ **Connecting the participant with employers**

The SkillUP Program is funded by the United States Department of Agriculture (USDA) Food and Nutrition Service (FNS). The program is also funded through the Administration for Children and Families, Temporary Assistance for Needy Families block grant.

25

participants served

5

successfully completed a short-term training program

5

gained employment with self-sufficient wage

Our Impact: Community Services

Community Services Block Grant (CSBG)

CSBG is a federal, anti-poverty block grant which funds the operations of a state-administered network of local agencies. This network consists of more than 1,000 agencies that create, coordinate, and deliver programs and services to low-income Americans in 99 percent of the nation's counties. CSBG provides the funds to alleviate the causes and conditions of poverty in communities.

Most agencies in the CSBG network are Community Action Agencies (CAAs), created through the Economic Opportunity Act, a predecessor of the CSBG. Community representatoin and accountability are hallmarks of the CSBG network, where agencies are governed by a tri-partite board. This board structure consists of elected public officals, representatives of the low-income community, and appointed leaders from the private sector.

2021 Programs

Life Skills, Targeted Coaching, Making the Grade, Stand Up Step Out of Poverty, Family Support, Cultivating the Delta Leaders of Tomorrow, Back to School Fair, and Emergency Assistance

Child Care Food Program

DAEOC's Child Care Food Program is part of a federal program dedicated to providing nutritious meals and snacks to low-income children at licensed and registered home daycares.

Our Impact: Habitat

Weatherization

The Weatherization Assistance Program is the nation's largest residential energy assistance program helping low-income residents with a wide variety of energy efficiency measures including the entirety of the structure, HVAC system, electrical systems, and electric appliances.

Purpose and Goals

Limit the costs associated with heating and cooling a home

Each residence receives an energy audit with diagnostic testing, including thermography, to customize the weatherization methods to each particular structure. To be eligible for this program, applicants must have a yearly household income falling 200% below the area median income.

Emergency Shelter

Efficiency-style apartments located at our Sikeston outreach office serve as emergency shelter for individuals and families.

This is the only shelter in our region that houses families without separating them. They are allowed to stay at the shelter in 30 day increments. If more time is needed to secure employment/and or housing, stay can be extended up to 90 days.

Missouri Housing Trust Fund

The Missouri Housing Trust Fund facilitates three programs, Rental Assistance, Emergency Assistance, and Housing First.

- Emergency Assistance: Financially assists individuals and families facing immediate threat of homelessness, stabilizing their housing situation

- Rental Assistance and Housing First: Provides financial aid to those who are homeless to help obtain safe and affordable housing

Permanent Housing Program

The Permanent Supportive Housing program provides financial assistance to homeless and disabled participants. Case Management helps secure and maintain housing. Chosen participants come from the regions Coordinated Entry System where they are selected from the priority list as openings become available.

Domestic Violence

This program is designed to allow the victim to feel safe, reflect upon and determine next steps, and to learn that there are alternatives to returning to an abusive situation.

Purpose and Goals

Empower battered individuals so they may rebuild their lives to ensure future safety for themselves and their children

Housing

The Housing program oversees two primary projects: Missouri Housing Development Commission's Home Repair Program (**HeRO**) and the Bootheel Home Repair program, a Federal Home Loan Bank's affordable housing program.

Our main emphasis is to bring the home up to local and state codes to make the home safer and more livable for those who fall within the income guidelines set by HUD and Missouri Housing Development Commission.

Purpose and Goals

Repair, rehabilitate, and improve accessibility for the handicapped and disabled as well as reduce the risk associated with lead-based paint, and other health concerns for owner-occupied homes

Bootheel Home Repair Program

- to be eligible, participants must have taken part in Weatherization Assistance Program

HeRO

- to be eligible, participants must be elderly and/or have a disability while falling at or below 50% of the poverty line determined by HUD

Our Impact: Children's Services

Head Start/Early Head Start Program

The Head Start/Early Head Start Program has 18 center locations and 2 home based locations in Dunklin, Mississippi, New Madrid, Pemiscot, Scott, and Stoddard counties and a funded enrollment of 1244 children. Of the children that are enrolled in this program, 90% are at or below the Federal Poverty Guidelines or are categorically eligible.

Opportunities for Family Engagement

The program encourages families to take an active role in their child's education and development, partnering with staff to provide input, make decisions, and implement action steps leading to school readiness success.

- Volunteering in the classroom, office, kitchen, on field trips, etc.
- Open and consistent communication with the center staff serving the children
- Campaign and serve in a leader or member role to Policy council or the Center Parent Committees
- Donating classroom supplies
- Continue building school readiness skills and knowledge by accomplishing/returning take-home activities
- Serving on the Health Advisory Committee or Self-Assessment Team
- Helping plan for Family Meetings and special events with committee members
- Providing input by answering various surveys throughout the year
- Participating in all activities/events including meetings, family events, parent/teacher conferences, home visits, socializations, and POPs events
- Setting/achieving goals for the child and family
- Learning and utilizing new parenting techniques and skills
- Recruiting children and families by sharing personal success stories with the program

DAEOC's Efforts to Prepare Children for Kindergarten

Primary Goal

Help children and families enjoy a smooth and successful transition into Kindergarten

DAEOC Head Start and Early Head Start (**HS/EHS**) has 29 local education agencies located in the 6 county area. The program accomplishes successful transitions through research-based curriculum, social-emotional strategy implementation, parent education efforts, assessment, and administrative process.

Creative Curriculums

Curriculums

Head Start Center Based- Scholastic Big Day for Pre-K

Early Head Start Center Based- Creative Curriculum for Infants, Toddlers, and Twos

Early Head Start Home Based- Partnerships for Healthy Baby

-The central domains include:

-Approaches to Learning

-Social and Emotional Development

-Language and Literacy

-Cognition

-Perceptual, Motor, and Physical Development

All curriculums guide growth and development in accordance with the Head Start Early Learning Outcomes Framework Ages Birth to Five. The framework can be found at:

<http://eclkc.ohs.acf.hhs.gov/hslc/sr/approach/cdelf>

Social-Emotional Strategies

Through our implementation of Conscious Discipline strategies, children learn to take responsibility for their feelings and actions, to recognize these, and learn appropriate ways to express and manage their feelings at an age-appropriate level. Staff practices emotional regulation and other social skills with children.

Parent Education Efforts

HS/EHS seeks a positive, supportive relationship with the parents/guardians. Our program offers ongoing parent education opportunities on a variety of topics during home visits, parent/teacher conferences, and family events throughout the year. Parents partake in activities and receive information to ensure their child's transition to kindergarten is successful.

Head Start/Early Head Start Program Budget Uses

DAEOC's Head Start and Early Head Start Programs ensure the grant budgets are spent on reasonable, necessary, and allowable expenses to provide comprehensive early childhood educational and care services. A significant amount of all budgets are spent to employ approximately 348 staff members to fulfill the program's responsibilities. This includes staff salaries and benefits provided to attract and retain staff.

Program Operating Expenses

Purchase of new buses

Classroom/Office supplies

Custodial supplies

Rent/Utilities

Travel to carry out program operations

Staff development (proper training and qualifications)

Medical, dental, and mental wellness

Dental and mental wellness child services expenses as payor of last resort if other resources are not available. These budgetary expenditures are needed to provide quality programming and services.

Proposed 2021 Budget

810 Head Start Federal

880 Early Head Start Federal

810 Cares

Assessment

The program completes the Desired Results Developmental Profile (DRDP) on enrolled Head Start children 3 times a year. Since the Early Head Start is a year round program, the DRDP is accomplished 4 times a year. The DRDP represents a full continuum instrument to assess all children from early infancy to kindergarten entry including children with Individual Family Service Plans and Individualized Education Programs. For those children who will be transitioning to Kindergarten, the assessment results for the year are provided to the school at which the child will be attending in the fall, so the new teachers may also be aware of the child's development and growth.

Early Head Start and Head Start Program School Readiness Goal Progress Assessment Data Results 2021-2022

HS DOMAIN	TIMELINE	EHS SCHOOL READINESS GOAL	RESULTS	HS SCHOOL READINESS GOAL	RESULTS

Office of Head Start Triennial Monitoring

The most recent Program Review was completed during 2019 by the Office of Head Start (OHS). The Review team was diligent to ensure compliance for all service areas and systems of the Head Start Performance Standards (45 CFR 1301-1311).

The final report from the OHS received in 2019 stated that "Based on the information gathered during this review, your Head Start program was found to have met the requirements of all applicable Head Start program performance standards, laws, regulations, and policy requirements."

Fiscal Summary

Single Audit Act

An annual audit of DAEOC's fiscal operations is performed in accordance with the Office of Management and Budget Uniform Guidance 2 CFR Part 200 to ensure that public funds have been used in accordance with grant and contract requirements. The 2021 A-133 audit field work has begun and is in process. A report will be presented to the board for review and approval. The approved audit will be available for viewing at DAEOC's Administrative Office in Sikeston, Missouri. No details are available at this time.

*The financial information in this report as of the twelve months ended December 31, 2021 are preliminary. Delta Area Economic Opportunity Corporation expects to file it's audited financial statements for the period ending December 31, 2021 in Q3 2022. This financial information is intended for internal uses only and should not be considered by external parties.

DAEOC's 2021 fiscal year revenues increased by \$877,654.20 and expenses increased by \$796,649.73 respectively over 2020 totals. Grant funds are used in the six (6) counties of the Bootheel served by DAEOC.
