# Vision

## We are DAEOC...

Delta Area Economic Opportunity Corporation (DAEOC) is a 501 (3)c not-for-profit organization that assists those living in poverty across six Missouri Bootheel counties: Scott, New Madrid, Mississippi, Stoddard, Dunklin, and Pemiscot. As a **Community Action** Agency, DAEOC has its roots in Lyndon B. Johnson's War on Poverty and was established in 1965 as one of the first CAAs in the state of Missouri. Today, there are nineteen of these agencies; all having the explicit purpose of providing social services that stabilize households, **empower** individuals, and **advocate** for those living below the poverty line.

## **We are Community Action...**

**Community Action** targets the causes of poverty in a manner that is both individualized and holistic. Through targeted coaching and case management, DAEOC meets those we serve where they are and assists them in becoming self-sufficient members of the community. Our local partnerships across the six Delta counties and our tripartite board, representing the public and private sectors as well as the low income individuals we serve, offer perspective and guidance on the needs of the entire region. We all want a present and a future in which we can all succeed; one in which **opportunity** is not a privilege, but a right; and one in which the Missouri Bootheel doesn't just survive, but thrives.

## A Letter from Our CEO

As COVID began to loosen its grip on our area in the early days of 2022, we were faced with an issue like much of the world economy, staffing shortages. In the first half of 2022, we worked on modifying our organizational chart to most effectively meet the needs of our communities and to recruit a team to fill leadership vacancies. By late May, the key six in the Children's Services Department had been identified and were on board. That group, led by Director Dr. Ben Johnson quickly began to fill program vacancies and to address challenges facing the Department. Rounding out the Key Six are three Regional Deputy Directors: Andrea Pratt-Region 1, Brooke King - Region 2, and Angel Hernandez-Orduna - Region 3, Laura Bixler - Family & Community Engagement Lead, and Candice Ellis - Health Lead. Together the team has and continues to refine training and oversight and adjusted service delivery to best meet the needs of our families. This included a consistent schedule across the center that included receiving children five days a week beginning in the fall.

Also in the first half of 2022, Mindy Sanders came on board to lead the Habitat Unit overseeing programs in Homelessness, Domestic Violence, Home Repair, and Weatherization. Growing available funding in Weatherization necessitates a scale-up within our programs that included staffing,

training, supplies, and equipment. In addition to the day-to-day oversight of the Homeless programs, Mindy will take an active role in the construction of a new Homeless Shelter which will double our current capacity by early 2024.

In the Community Services Unit, veteran leadership continues to provide stability even in turbulent times. Tara Ruby, Community Services Lead, has been instrumental in applications for several new funding opportunities throughout the year, including the rapid expansion of our new Adult Education program. She and her team are the model of efficiency in providing customer service to our Energy programs. They were recently called on by our state funding source to provide technical support and best practices to other agencies across the state who almost unilaterally struggle to meet the increasing demands of these programs. Additionally, the mobile outreach unit continues to ease access to families without a brick and mortar office and has been emulated across the state and beyond.

Our administrative team remains lean through the hard work of a dedicated group. A few changes to the group of twenty have greatly improved our ability to meet our goals and objectives. Gregg Jones moved from the Fiscal Department to a new role, Facilities and Transportation Coordinator, whose duties were previously shared between Purchasing and the Children's Services Department. The move ensures that facilities and transportations needs across the agency are considered as part of the whole, quickly resulting in a decrease in costs. Ben Thatcher joined the team to streamline onboarding and training in 2022 which has allowed us to expand our training ability and reduce onboarding time getting qualified staff prepared to take on their roles more quickly. This gives veteran HR Assistant Sharon Kreidler time to focus on employee issues and Tiffany Minnis time to shine as the employees' advocate for benefits issues. Senior VP and Human Resources Director Hillary Hamra and VP and CFO Clay Driskill continue to provide the

leadership and direction allowing our organization to effectively respond to the needs of those we serve.

On the cutting edge of service delivery, our Center level and Client Services staff across our operational programs continue to strive for excellence. They continue to be good stewards to the dollars entrusted to us and work together to not only meet the immediate needs of our families but to make progress moving families out of the cycle of poverty. Each of these aides, bus drivers, custodians, cooks, customer service representatives, energy auditors, etc., are the face of DAEOC to the families we serve. They deliver the tangibles that help those we serve with the struggles they face.

In 2022, we began the renovation of what will be our corporate office at 104 West Center Street in Sikeston through a generous donation from a southeast Missouri family. Construction equipment arrived on February 25, 2022 and work continues today with a projected completion date in late February 2023. This building will provide space for the fiscal department, Strategic Communications, Maintenance, IT, and executive offices. It will free up space for the Human Resources department in the training building, the Purchasing Department to relocate into offices currently occupied by fiscal staff, and provide office space for the Habitat Unit Lead.

With our property management partner's decision to withdraw from managing the 32-unit complex at Vandalia, DAEOC took over management of that facility while we worked to sell the property. That sale in late 2022 netted the agency over \$200,000 in unrestricted dollars that can be used to improve service delivery closer to home. This year, we secured the donation of land for our homeless shelter, a building to be used as a workshop for our Head Start program,

and negotiated the purchase of land in New Madrid County and in the City of Steele for construction of new facilities.

Our Board and Policy Council have had a productive year with representatives from each attending Governance and Leadership training together. Additionally, board representatives attended an extensive day-training with the boards of two neighboring Community Action Agencies and attended the National Community Action Partnership Conference in New York City. All of these trainings have helped our governing bodies work better together, learn more about the work of the agency, and compare our efforts to that of other agencies.

The completion of our Administrative office, the beginning of construction on our new Head Start facilities in Steele and South New Madrid County, and the homeless shelter in Sikeston will help provide an excellent platform for the delivery of services for many years into the future. Many other programs and projects are in the vision and application stage so look for great things to come in 2023. Fifty-seven years after our creation, the future of DAEOC has never been brighter.

Joel P. Evans, CCAP  
President & CEO

## Promise

**Community action**  
changes people's  
lives, embodies  
the spirit of **hope**,  
improves communities  
and makes America  
a better place to live.  
We care about the  
entire community and  
we are dedicated to  
helping people help  
themselves and each  
other.

# Program Participant Demographics

In 2022, DAEOC reported services obtained for **10,242** unduplicated individuals and **4,555** unduplicated families with one or more of the following characteristics:

# Mission

The Mission of Delta Area Economic Opportunity Corporation, a **community action** agency, is to **empower** people to make **positive change** in their personal lives, family and community.

# Our Impact: Community & Outreach Services

## Low Income Heating Energy Assistance Program (LIHEAP)

The LIHEAP program consists of two different programs: Energy Assistance **(EA)** and Emergency Crisis Intervention Program **(ECIP)**.  
Eligibility is based on income, household size, available resources, and responsibility for payment of home energy costs.

- ECIP assists households experiencing an “energy crisis” (i.e. shut off notice or propane tank at 20% or below)
  - Winter ECIP runs from November-May & Summer ECIP from June-September
- EA exists to offset ongoing heating costs from November-March

This program also provides emergency services such as blankets, emergency lodging, furnace/central air repair, window air conditioners, and wood stoves.

LIHEAP assisted  
**14,839**  
individuals

LIHEAP assisted  
**7,403**  
elderly and/or disabled individuals

## Ameren Assistance Programs

### Keeping Current

A payment assistance program that helps make paying your energy bill more affordable. It includes a monthly bill credit along with help to reduce the total amount you owe.

**190** enrolled in levelized billing

### Clean Slate

This program helps individuals pay off their past due utility bills.

**41** enrolled in program

### Dollar More

This program is funded by voluntary customer and company donations.

**83** prevented disconnection with funds

### Community Savers Program

This program provides air conditioners, LED bulbs and energy efficient kits.

**65**  
air conditioners  
provided

## Growing the Delta: Adult Education Center

Designed to meet regional industry/employer needs, the center's main focus is to prepare new, unemployed and current workers, including those impacted by mental health and substance abuse issues, to successfully find and keep sustainable employment.

57

## SkillUP Program

SkillUP is a free program that helps Food Stamp (SNAP) recipients get help with skills, training, and employer connections to get a job (or a better job). SkillUP works with participants to create an individual plan to help reach their goals and start a new career. The SkillUP program can also help with:

- ↑ Acquiring skills through needed workshops and classes
- ↑ Paying for short-term training and certifications
- ↑ Paying work or training costs
- ↑ Understanding job skills
- ↑ Building a resume to effectively show off all skills
- ↑ Connecting the participant with employers

The SkillUP Program is funded by the United States Department of Agriculture (USDA) Food and Nutrition Service (FNS). The program is also funded through the Administration for Children and Families, Temporary Assistance for Needy Families block grant.

participants received  
transportation assistance

# Our Impact: Community Services

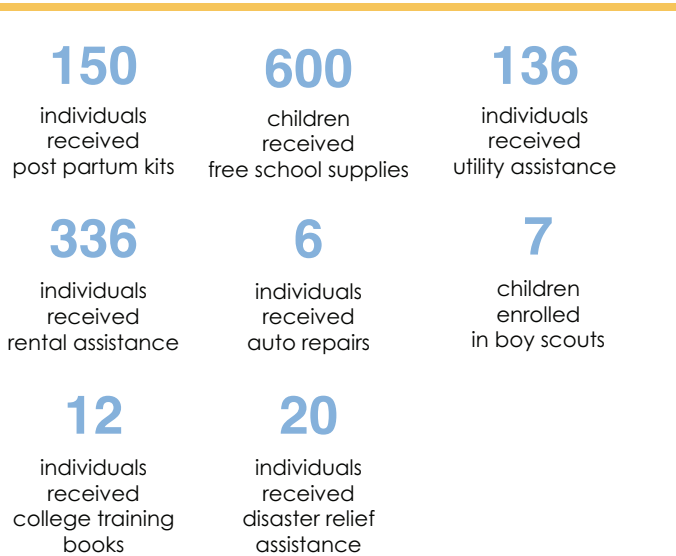

## Community Services Block Grant (CSBG)

CSBG is a federal, anti-poverty block grant which funds the operations of a state-administered network of local agencies. This network consists of more than 1,000 agencies that create, coordinate, and deliver programs and services to low-income Americans in 99 percent of the nation's counties. CSBG provides the funds to alleviate the causes and conditions of poverty in communities.

Most agencies in the CSBG network are Community Action Agencies (CAAs), created through the Economic Opportunity Act, a predecessor of the CSBG. Community representatoin and accountability are hallmarks of the CSBG network, where agencies are governed by a tri-partite board. This board structure consists of elected public officals, representatives of the low-income community, and appointed leaders from the private sector.

### 2022 Programs

Life Skills, Targeted Coaching, Making the Grade, Stand Up Step Out of Poverty, Family Support, Cultivating the Delta Leaders of Tomorrow, Back to School Fair, and Emergency Assistance

## Child Care Food Program

DAEOC's Child Care Food Program is part of a federal program dedicated to providing nutritious meals and snacks to low-income children at licensed and registered home daycares.

# Our Impact: Habitat

## Weatherization

The Weatherization Assistance Program is the nation's largest residential energy assistance program helping low-income residents with a wide variety of energy efficiency measures including the entirety of the structure, HVAC system, electrical systems, and electric appliances.

### Purpose and Goals

**Limit the costs associated with heating and cooling a home**

Each residence receives an energy audit with diagnostic testing, including thermography, to customize the weatherization methods to each particular structure. To be eligible for this program, applicants must have a yearly household income falling 200% below the area median income.

## Emergency Shelter

Efficiency-style apartments located at our Sikeston outreach office serve as emergency shelter for individuals and families.

This is the only shelter in our region that houses families without separating them. They are allowed to stay at the shelter in 30 day increments. If more time is needed to secure employment/and or housing, stay can be extended up to 90 days.

**65** individuals sheltered

## Permanent Housing Program

The Permanent Supportive Housing program provides financial assistance to homeless and disabled participants. Case Management helps secure and maintain housing. Chosen participants come from the regions Coordinated Entry System where they are selected from the priority list as openings become available.

**16** households

## Missouri Housing Trust Fund

The Missouri Housing Trust Fund facilitates three programs, Rental Assistance, Emergency Assistance, and Housing First.

-Emergency Assistance: Financially assists individuals and families facing immediate threat of homelessness, stabilizing their housing situation

**131** individuals assisted

**53** households assisted

-Rental Assistance and Housing First: Provides financial aid to those who are homeless to help obtain safe and affordable housing

**45** individuals assisted

**24** families assisted

## Housing

The Housing program oversees two primary projects: Missouri Housing Development Commission's Home Repair Program (**HeRO**) and the Bootheel Home Repair program, a Federal Home Loan Bank's affordable housing program.

Our main emphasis is to bring the home up to local and state codes to make the home safer and more livable for those who fall within the income guidelines set by HUD and Missouri Housing Development Commission.

### Purpose and Goals

**Repair, rehabilitate, and improve accessibility for the handicapped and disabled as well as reduce the risk associated with lead-based paint, and other health concerns for owner-occupied homes**

#### Bootheel Home Repair Program

- to be eligible, participants must have taken part in Weatherization Assistance Program

#### HeRO

- to be eligible, participants must be elderly and/or have a disability while falling at or below 50% of the poverty line determined by HUD

## Domestic Violence

This program is designed to allow the victim to feel safe, reflect upon and determine next steps, and to learn that there are alternatives to returning to an abusive situation.

### Purpose and Goals

**Empower battered individuals so they may rebuild their lives to ensure future safety for themselves and their children**

# Our Impact: Children's Services

## Head Start/Early Head Start Program

The Head Start/Early Head Start Program has 18 center locations and 2 home based locations in Dunklin, Mississippi, New Madrid, Pemiscot, Scott, and Stoddard counties and a funded enrollment of 1244 children. Of the children that are enrolled in this program, 90% are at or below the Federal Poverty Guidelines or are categorically eligible.

**1360**

**1245**

Children Received  
Dental Exams

## Opportunities for Family Engagement

The program encourages families to take an active role in their child's education and development, partnering with staff to provide input, make decisions, and implement action steps leading to school readiness success.

- Volunteering in the classroom, office, kitchen, on field trips, etc.
- Open and consistent communication with the center staff serving the children
- Campaign and serve in a leader or member role to Policy council or the Center Parent Committees
- Donating classroom supplies
- Continue building school readiness skills and knowledge by accomplishing/returning take-home activities
- Serving on the Health Advisory Committee or Self-Assessment Team
- Helping plan for Family Meetings and special events with committee members
- Providing input by answering various surveys throughout the year
- Participating in all activities/events including meetings, family events, parent/teacher conferences, home visits, socializations, and POPs events
- Setting/achieving goals for the child and family
- Learning and utilizing new parenting techniques and skills
- Recruiting children and families by sharing personal success stories with the program

## DAEOC's Efforts to Prepare Children for Kindergarten

### Primary Goal

**Help children and families enjoy a smooth and successful transition into Kindergarten**

DAEOC Head Start and Early Head Start (**HS/EHS**) has 29 local education agencies located in the 6 county area. The program accomplishes successful transitions through research-based curriculum, social-emotional strategy implementation, parent education efforts, assessment, and administrative process.

## Creative Curriculums

### Curriculums

**Head Start Center Based- Scholastic Big Day for Pre-K**

**Early Head Start Center Based- Creative Curriculum for Infants, Toddlers, and Twos**

**Early Head Start Home Based- Partnerships for Healthy Baby**

- The central domains include:
- Approaches to Learning
- Social and Emotional Development
- Language and Literacy
- Cognition
- Perceptual, Motor, and Physical Development

All curriculums guide growth and development in accordance with the Head Start Early Learning Outcomes Framework Ages Birth to Five. The framework can be found at:

<http://eclkc.ohs.acf.hhs.gov/hslc/sr/approach/cdelf>

## Social-Emotional Strategies

Through our implementation of Conscious Discipline strategies, children learn to take responsibility for their feelings and actions, to recognize these, and learn appropriate ways to express and manage their feelings at an age-appropriate level. Staff practices emotional regulation and other social skills with children.

## Parent Education Efforts

HS/EHS seeks a positive, supportive relationship with the parents/guardians. Our program offers ongoing parent education opportunities on a variety of topics during home visits, parent/teacher conferences, and family events throughout the year. Parents partake in activities and receive information to ensure their child's transition to kindergarten is successful.

## Head Start/Early Head Start Program Budget Uses

DAEOC's Head Start and Early Head Start Programs ensure the grant budgets are spent on reasonable, necessary, and allowable expenses to provide comprehensive early childhood educational and care services. A significant amount of all budgets are spent to employ approximately 348 staff members to fulfill the program's responsibilities. This includes staff salaries and benefits provided to attract and retain staff.

### Program Operating Expenses

Purchase of new buses

Classroom/Office supplies

Custodial supplies

Rent/Utilities

Travel to carry out program operations

Staff development (proper training and qualifications)

Medical, dental, and mental wellness

Dental and mental wellness child services expenses as payor of last resort if other resources are not available. These budgetary expenditures are needed to provide quality programming and services.

## Proposed 2022 Budget

### 810 Head Start Federal

### 880 Early Head Start Federal

### 810 Cares

## Assessment

The program completes the Desired Results Developmental Profile (DRDP) on enrolled Head Start children 3 times a year. Since the Early Head Start is a year round program, the DRDP is accomplished 4 times a year. The DRDP represents a full continuum instrument to assess all children from early infancy to kindergarten entry including children with Individual Family Service Plans and Individualized Education Programs. For those children who will be transitioning to Kindergarten, the assessment results for the year are provided to the school at which the child will be attending in the fall, so the new teachers may also be aware of the child's development and growth.

### Early Head Start and Head Start Program School Readiness Goal Progress Assessment Data Results 2022-2023

## Office of Head Start Triennial Monitoring

The most recent Program Review was completed during 2021 by the Office of Head Start (OHS). The Review team was diligent to ensure compliance for all service areas and systems of the Head Start Performance Standards (45 CFR 1301-1311).

The final report from the OHS received in 2021 stated that "Based on the information gathered during this review, your Head Start program was found to have met the requirements of all applicable Head Start program performance standards, laws, regulations, and policy requirements."

# Fiscal Summary

## Single Audit Act

An annual audit of DAEOC's fiscal operations is performed in accordance with the Office of Management and Budget Uniform Guidance 2 CFR Part 200 to ensure that public funds have been used in accordance with grant and contract requirements. The 2021 A-133 audit field work has begun and is in process. A report will be presented to the board for review and approval. The approved audit will be available for viewing at DAEOC's Administrative Office in Sikeston, Missouri. No details are available at this time.
