* Board and Staff as of December 31, 2018

Letter from the President & CEO

I would like to congratulate the DAEOC team for a successful 2018. You truly were the embodiment of the Community Action Promise this year.

Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.

The promise includes the pledge to care for the entire community. We demonstrated that in so many ways this year. Our Board more than ever reflects the diversity of our service area drawing individuals from a wide variety of professions, representation of our entire geographic region, and a socio economic cross section of our population. As envisioned by President Kennedy when he challenged his cabinet to begin addressing poverty, our board's composition gives a voice to the impoverished. Those on our Board who represent the interests of the poor truly govern with those needs as a "north star" in their decision making.

This year, the Missouri Community Action Network collectively negotiated to capture a new contract for the agencies. SkillUp, a program to address the needs of the unemployed and underemployed on an individual basis has had a huge impact in our communities. We have helped address education, health, and transportation needs and have been successful in "helping people help themselves" secure jobs in our area with wages over \$12 per hour. Community Action quickly exceeded all other SkillUp providers in reported successes and DAEOC's program is among the state's most impactful.

Our Children's Services Department continues to improve on already excellent services. We were also able to improve our facilities with additional fencing, replacement of aging buses, and additional building and grounds improvements. We began negotiations for the purchase of property adjacent to our Sikeston Head Start that will improve parking, allow for improvements to our playground, and will help stabilize the neighborhood.

Our Family and Community Development Department also improved the platform from which they serve the impoverished in Scott County through the purchase and rehabilitation of an empty retail space. The new Outreach Office offers staff and clients a space that better represents the value of the services provided. It also allowed the improvement of services at our homeless shelter by freeing up space for client services and an additional shelter unit.

We were able to strengthen the infrastructure of the agency by replacing our aging telephone system, portions of our computer network, much of our security system, and improved our document retention facilities. We were able to replace two agency vehicles in 2018 and began planning to replace four additional units in 2019. In 2018, we reached out of our comfort zone and lead the charge to write what would be the only regional economic development plan approved in the Nation this year. We also successfully applied for and received funds to assist a small community with emergency facilities improvements when they were able to find no other options. Wastewater facilities were a bit out of our field of expertise but health concerns in a village with very high poverty rates was completely within our mission.

DAEOC reports an economic impact of over \$155 Million dollars to the six counties we serve and had another in a string of "clean audits". Audits showed that 94 cents of every dollar were spent on direct client services. While 50% efficiency rates in the not-for-profit world are considered a success, our 94% rate is commendable. We anticipate a clean 2018 audit and a continued high level of efficiency.

Thank you again to everyone who helped make 2018 a great year for DAEOC and for the entire community.

Respectfully submitted,

Joel P. Evans, CCAP

President & CEO

Vision

We are DAEOC...

Delta Area Economic Opportunity Corporation (DAEOC) is a 501(3)c not-for-profit organization that assists those living in poverty across six Missouri Bootheel counties: Scott, New Madrid, Mississippi, Stoddard, Dunklin, and Pemiscot. As a Community Action Agency, DAEOC has its roots in Lyndon B. Johnson's War on Poverty and was established in 1965 as one of the first CAAs in the state of Missouri. Today, there are nineteen of these agencies; all having the explicit purpose of providing social services that stabilize households, empower individuals, and advocate for those living below the poverty line.

We are Community Action...

Community Action targets the causes of poverty in a manner that is both individualized and holistic. Through targeted coaching and case management, DAEOC meets those we serve where they are and assists them in becoming self-sufficient members of the community. Our local partnerships across the six, Delta counties and our tripartite board, representing the public and private sectors as well as the low income individuals we serve, offer perspective and guidance on the needs of the entire region. We all want a present and a future in which we can all succeed; one in which opportunity is not a privilege, but a right; and one in which the Missouri Bootheel doesn't just survive, but thrives.

Promise

Community action changes peoples lives, embodies the spirit of hope, improves communities and makes America a better place to live. We care about the entire community and we are dedicated to helping people help themselves and each other.

Mission

The Mission of Delta Area Economic Opportunity Corporation, a community action agency, is to empower people to make positive change in their personal lives, family and community.

"Empowering people to make positive change"

The Missouri Bootheel at a Glance...

County	Population	% in Poverty
Dunklin	29,423	24.6%

Program Participant Demographics

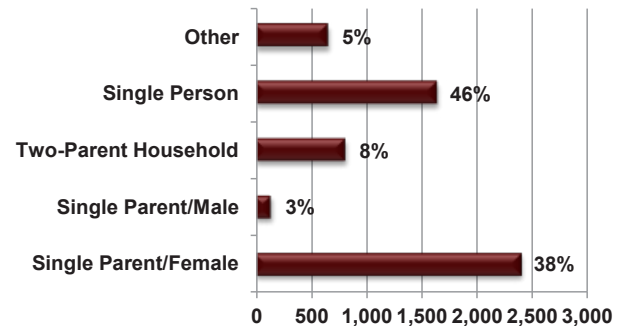

In 2018, DAEOC reported services obtained for **13,859** unduplicated individuals and **5,669** unduplicated families with one or more of the following characteristics:

Gender

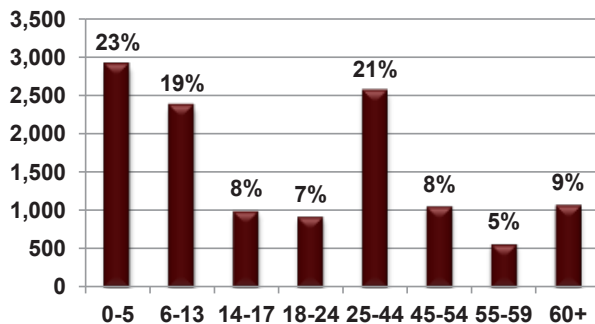

61% of program participants were female

Family Type

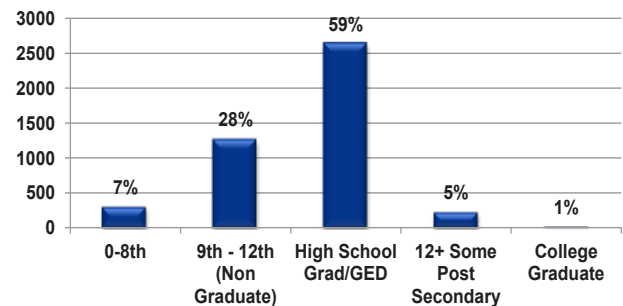

49% of program participants had at least one or more parents in the household

Age

50% of program participants were under the age of 18

Education Levels (# for adults 24 years or older)

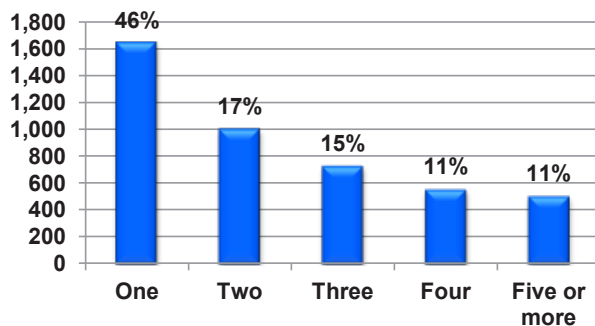

88% of program participants had only a High School Diploma or less

- 2,560 Individuals were reported as being disabled

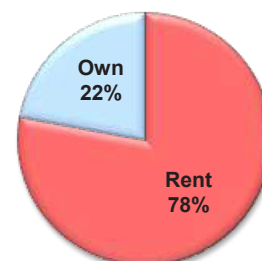

- 74 Families were reported as being homeless

Family Size

39% of program participants had three or more household members

Housing

78% of program participants rent as opposed to owning their own home

Family and Community Development

Low Income Heating Energy Assistance Program (LIHEAP)

The LIHEAP program consists of two different programs: Energy Assistance (EA) and Emergency Crisis Intervention Program (ECIP). Eligibility requirements are based on income, household size, available resources and responsibility for payment of home energy costs. Energy Assistance exists to offset ongoing heating costs from November through the month of March. ECIP assists households experiencing an "energy crisis", i.e. shut off notice received or propane tank at 20% or below. Winter ECIP runs from November - May and the Summer ECIP from June - September. LIHEAP can also provide emergency services such as blankets, emergency lodging, furnace/central air repair, window air conditioners and wood stoves.

- 10,593 individuals were assisted through ECIP
- 14,229 individuals were assisted through Energy Assistance
- 7,442 of those assisted with Energy Assistance were elderly and/or disabled
- \$4,145,005 was paid out in benefits

Health Care Coverage Counseling

Certified Application Counselors (CACs)/Navigators conduct education and outreach events to build relationships with consumers who need guidance through the process of enrolling in health coverage through the federally-facilitated Health Insurance Marketplace established under the Affordable Care Act.

- 225 individuals reached through education and outreach events with 50 of those being enrolled
- CAC's participated in 10 enrollment events

Child Care Food Program

DAEOC's Child Care Food Program is part of a federal program dedicated to providing nutritious meals and snacks to low-income children at licensed and registered home daycares.

- 104 Home Daycare providers participated
 - 2,064 children served
 - 62,212 meals were served to children through this program
- 

Community Services Block Grant (CSBG)

CSBG is a federal, anti-poverty block grant which funds the operations of a state-administered network of local agencies. This network consists of more than 1,000 agencies that create, coordinate and deliver programs and services to low-income Americans in 99 percent of the nation's counties. CSBG provides funds to alleviate the causes and conditions of poverty in communities.

Most agencies in the CSBG network are Community Action Agencies (CAAs), created through the Economic Opportunity Act, a predecessor of the CSBG. Community representation and accountability are hallmarks of the CSBG network, where agencies are governed by a tripartite board. This board structure consists of elected public officials, representatives of the low-income community, and appointed leaders from the private sector. The programs that were utilized for the 2018 year was Life Skills, Targeted Coaching, Making the Grade, Stand Up Step Out of Poverty, Family Support, Cultivating the Delta Leaders of Tomorrow and Back to School Fair.

- 24 obtained food assistance
- 12 unemployed participants obtained a job
- 577 children received free school supplies
- 1,042 participated in life skills classes with 78 classes being held
- 259 youth improved their social/emotional development
- 15 children enrolled in boy scouts with 58 merit badges earned

Housing

The Housing Program oversees two primary projects: HeRO (Missouri Housing Development Commission's Home Repair Program) and the Bootheel Home Repair Program, a Federal Home Loan Bank's affordable housing program. The purpose and goals of these programs are to repair, rehabilitate, and improve accessibility for the handicapped and disabled as well as to reduce the risk associated with lead-based paint and other health concerns for owner-occupied homes. Our main emphasis is to bring the home up to local and state codes to make the home safer and more livable for those who fall within the income guidelines set by HUD and Missouri Housing Development Commission. Prior to becoming eligible for the Bootheel Home Repair Program, participants must have taken part in the Weatherization Assistance Program. To be eligible for the HeRO Program clients must have a disability and/or be elderly while also falling at or below 50% of the poverty line as determined by HUD.

- 42 homes repaired
- \$342,519 was spent on rehabilitation costs

Weatherization

The Weatherization Assistance Program is the nation's largest residential energy assistance program and helps low-income residents with a wide variety of energy efficiency measures spanning the entirety of the structure, HVAC systems, electrical systems, and electric appliances. The primary goal is to limit the costs associated with heating and cooling a home. Each residence is given an energy audit consisting of diagnostic tests including thermography, to customize the

weatherization methods to use in that particular structure. To qualify for the Weatherization program, applicants must have a yearly household income below 200% of the area median income.

- 37 homes were weatherized
- \$559,442 was spent on weatherizing measures

Permanent Housing

The Permanent Supportive Housing program provides financial assistance to assist participants who are homeless and disabled. Case Management is offered to help secure and maintain housing. Participants are chosen for this program out of the regions Coordinated Entry System. They are selected from the priority list as openings become available.

- 18 individuals received rental assistance

Emergency Shelter

Efficiency-style apartments located at our Sikeston outreach office serve as an emergency shelter for individuals and families. This is the only shelter in our region that houses families without separating them. Individuals are allowed to stay at the shelter in 30 day increments. If more time is needed to secure employment and/or housing, the stay can be extended up to 90 days.

- 74 individuals received emergency shelter

Missouri Housing Trust Fund

Missouri Housing Trust Fund; facilitate three programs: Rental Assistance, Emergency Assistance and Housing First. Emergency Assistance assists individuals and families who are facing immediate threat of homelessness with financial assistance to stabilize their housing situation. Rental Assistance and Housing First assists those who are homeless with financial aid to help obtain safe and affordable housing.

- 191 individuals received emergency assistance
- 295 individuals received financial assistance

BRAVE Domestic Violence Resource Center

The BRAVE Center provides comprehensive shelter services to those women and children who are fleeing domestic violence. The BRAVE Center Domestic Violence Program is available to individuals who are experiencing any form of violence in the home. This program is designed to enable the victim to feel safe, to reflect upon and determine next steps, and to learn that there are alternatives to returning to an abusive situation. The goal of DAEOC's Domestic Violence Program is to empower battered and abused women so they may rebuild their lives to ensure future safety for themselves and their children.

- 94 women and 57 children received shelter
- 6,689 meals were provided
- Provided transportation on 436 occasions

Children's Services Department

The Head Start/Early Head Start Program has 18 center locations and 2 home based locations in Dunklin, Mississippi, New Madrid, Pemiscot, Scott and Stoddard counties and a funded enrollment of 1244 children. Of the children that are enrolled in the Head Start/Early Head Start Program, 90% are at or below the Federal Poverty Guidelines or are categorically eligible.

Head Start/Early Head Start Program Statistics

- **1646** children served
- **23** pregnant women/expectant families served
- **1429** families were served
- **78** class rooms operated
- **1034** Head Start children transported
- **1646** persons provided volunteer services
- **96%** of children received physical exams
- **87%** of children received dental exams
- **126** children with disabilities served
- **1232** families received one or more referrals
- Maintained **100%** average monthly enrollment for 2018

Opportunities for Family Engagement

The Program encourages families to take an active role in their child's education and development, partnering with staff to provide input, make decisions, and implement action steps leading to school readiness success.

Family Engagement may look like:

- Volunteering in the classroom, office, kitchen, on field trips, etc.
- Open and consistent communication with the center staff serving the children
- Election and service in a leader or member role to Policy council or the Center Parent Committees
- Donating classroom supplies
- Accomplishing/returning take-home activities to continue building school readiness skills and knowledge
- Serving on the Health Advisory Committee or Self-Assessment Team
- Planning with committee members for Family Meetings and special events
- Providing input through various surveys during the year
- Participating in family events/meetings/parent-teacher conferences/home visits/socializations/Perfecting our Parenting Skills events
- Setting/achieving goals for the child and family
- Partnering with the home based teacher to plan activities

- Encouraging grandparents and members of the community to become Program volunteers
- Learning new parenting techniques and skills
- Recruiting children and families by sharing personal success story of relationship with Head Start/Early Head Start

DAEOC's Efforts to Prepare Children for Kindergarten

A goal of DAEOC Head Start and Early Head Start (HS/EHS) is to help children and families enjoy a smooth and successful transition into a kindergarten within the 29 local education agencies located in DAEOC's 6 county area. This is accomplished through research-based curriculum, social-emotional strategy implementation, parent education efforts, assessment, and administrative processes.

Research Based Curriculum

- Head Start Center Based - Scholastic Big Day for Pre K curriculum
- Early Head Start Center Based - Creative Curriculum for Infants, Toddlers, and Twos
- Early Head Start Home Based - Partnerships for Healthy Baby

All curriculums guide growth and development in accordance with the Head Start Early Learning Outcomes Framework Ages Birth to Five. The Framework can be found at <http://eclkc.ohs.acf.hhs.gov/hslc/sr/approach/cdelf>.

The central domains include:

- Approaches to Learning
- Social and Emotional Development
- Language and Literacy
- Cognition
- Perceptual, Motor, and Physical Development

Social- Emotional Strategies

Through our implementation of Conscious Discipline strategies, children learn to take responsibility for their feelings and actions, to recognize these, and learn appropriate ways to express and manage their feelings at an age-appropriate level. Staff practice emotional regulation and other social skills with children.

Parent Education Efforts

HS/EHS seeks a positive, supportive relationship with the parents/guardians. Our program offers ongoing parent education opportunities on a variety of topics during home visits, parent/teacher conferences as well as family events throughout the year. Parents experience activities and receive information to ensure their child's transition to kindergarten is successful.

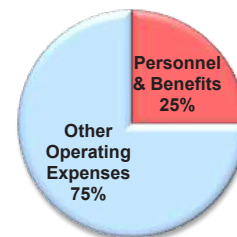

Head Start/Early Head Start Program Budget Uses and Proposed 2018 Budget

DAEOC's Head Start and Early Head Start Programs ensure the grant budgets are spent on reasonable, necessary, and allowable expenses to provide comprehensive early childhood educational and care services.

A significant amount of all budgets are spent to employ approximately 405 staff to fulfill the program's responsibilities. This includes staff salaries and benefits provided to attract and retain staff. Other program expenses include operating expenses such as: purchase of new buses, classroom supplies, office supplies, custodial supplies, rent, utilities, phone, internet, travel to carry out program operations, staff development expenses to ensure proper training and qualifications, and medical, dental and mental wellness child services expenses as payor of last resort if other resources are not available. These budgetary expenditures are needed to provide quality programming and services.

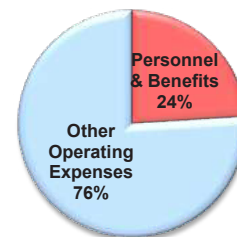

The proposed 2018 budget includes the following:

Federal Head Start Expenses

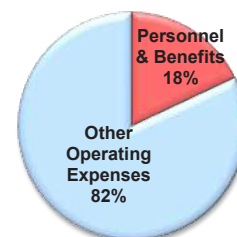

Head Start Federal Funding \$8,788,956

State MIECHV EHS Expenses

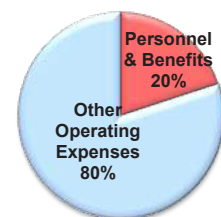

MIECHV State Funding \$596,560

Federal Early Head Start Expenses

Early Head Start Federal Funding \$1,197,881

Federal Early Head Start Expansion Expenses

Early Head Start Expansion Federal Funding \$3,231,358

Office of Head Start Triennial Monitoring

The most recent program Review was completed during April 2018 by the Office of Head Start. The review team was diligent to ensure compliance for all service areas and systems of the Head Start Performance Standards (45 CFR 1301-1311).

The final report from the Office of Head Start (OHS) received in October 2018 stated that "Based on the information gathered during this review, your Head Start program was found to have met the requirements of all applicable Head Start program performance standards, laws, regulations, and policy requirements."

Assessment

The program completes the Scholastic Early Childhood Inventory Assessment of enrolled children 3 times per year for Head Start. Since the Early Head Start is a year round program, the Hawaii Early Learning Profile Assessment is accomplished 4 times per year. Assessment information is shared at parent/teacher conferences. For those children who will be transitioning to Kindergarten, the assessment results for the year are provided to the school at which the child will be attending Kindergarten, so teacher may also be aware of the child's development growth.

Fiscal Summary

Single Audit Act

An annual audit of DAEOC's fiscal operations is performed in accordance with the Office of Management and Budget Uniform Guidance 2 CFR Part 200 to ensure that public funds have been used in accordance with grant and contract requirements. The 2018 A-133 audit field work occurred during June 2019 and a report will be presented to the board for review and approval September 2019. The approved audit will be available for viewing at DAEOC's central office in Portageville, Missouri. No details are available at this time.

Federal Dollars turnover 7 times within the service area, therefore DAEOC helped the local economy with over \$150 million dollars passing in and through the Bootheel of Missouri.

DAEOC's 2018 fiscal year revenues decreased over \$3,300,000 while expenses increased over \$1,200,000 respectively over 2017 totals. These changes are primarily due to the Early Head Start building projects which were completed in 2017. Grant funds are used in the six (6) counties of the Bootheel served by DAEOC.
